AI Gossips

PRESS DESK · MENA

ENGLISH MEDIA SHEET
27 NOVEMBER 2026

Send the region's news from the source.

AI Gossips is an Arabic-first publication covering artificial intelligence, startups, talent, and consequential technology across the Middle East and North Africa.

We welcome verified releases in Arabic or English from startups, companies, investors, research bodies, public institutions, and event organisers.

6,400+	45,000+	20,000+
Arabic and English pages published since July 2026	Newsletter email sends since July 2026	Google Search impressions since July 2026

What belongs in our queue

Capital and growth

Funding, acquisitions, exits, new-market entry, and material operational expansion.

Products and partnerships

Launches available in MENA and agreements with specific, verifiable outcomes.

Research and public action

Original research, market data, public initiatives, policy, and digital infrastructure.

Talent and events

Appointments, hiring, training, scholarships, fellowships, conferences, and open calls.

Independent by design

Pitch received → MENA relevance review → Verification → Independent editorial decision → Publish, ask, or pass

Give our editors the clearest possible signal.

Send the release, source links, approved media, spokesperson details, and the exact MENA relevance. Submission is free and does not guarantee coverage or acceptance of an embargo.

Verified operating indicators from publishing, distribution, and search records, reviewed regularly.
